PETER DELIVERED FROM PRISON

LESSON TEXT—Acts 12:1-17.

GOLDEN TEXT—Many are the afflictions of the righteous; but the Lord delivereth him out of them all.—Ps. 124:8.

PRIMARY TOPIC—God Takes Care of Peter.

JUNIOR TOPIC — God Answers Prayer for Peter.

INTERMEDIATE AND SENIOR TOPIC—How Does God Deliver Us?

YOUNG PEOPLE AND ADULT TOPIC—The Power of United Prayer.

I. Peter's Imprisonment (vs. 1-4).
1. By whom (v. 1).
Herod, the grandson of the wicked Herod who slew the innocent children of Bethlehem.
2. The reason (v. 3).
It was to gain the favor of the Jews. Herod was not a Jew, but an Edomite, therefore knew that his success was dependent upon his having the good will of the Jews. Fierced for the sake of popularity manifest-ed a deep sympathy for degenerate Judaism. It was but the sympathy of the politician. Since the church had developed so as to be a successful rival of Judaism, indeed was already displacing it, he saw an opportunity to curry favor with the Jews by putting forth his hands against it.

3. The method (v. 4).
He was arrested, put into prison and guarded by four quarterens of soldiers. A quarteren is a guard of four soldiers. Humanly speaking it was impossible to rescue. They had done away heretofore with Peter's escape from all before, so they thought they would take no risks this time. However, they made one fatal mistake—they left out God.

II. The Church of God in Prayer (v. 5).

The church was at a crisis. Her situation was most grave. James, one of the brethren of the church, was dead, and Peter, the most prominent

of all, was in prison. In this desperate strait they did the wise thing—they betook themselves to prayer. It was a noteworthy prayer.

1. It was unto God, not unto men, or to be heard of men. This is a very common fault today. All true prayer is unto God.

2. It was united prayer. There is peculiar power in the united prayer of God's people.

3. It was an intensely earnest prayer.

It was more than unceasing prayer. It was the earnest desire of the soul as it stretched itself out toward God.

4. It was definite prayer. They specifically offered prayer to God for Peter. Their prayer was concentrated, definite and specific.

III. Peter Delivered by an Angel

side of Belshazzar. A voice then fell and messages of freedom came from behind that gate. The ladies gathered in the drawing room so that Pauline could see the folks.

Mrs. Andrew Maine, General Tulliver, for one, was in the room. B. Muller is the wife who is here in my absence.

Miss Madeleine Deane, who has lived in town since she was a child. She is a sister of Mrs. Corrie's.

Mr. and Mrs. A.

(rv. 6:11).

1. Peter sleeping (v. 6).

This shows that he was not greatly disturbed over the matter. The Lord keeps in perfect peace those whose minds are stayed on Him. (Isa. 26:3).

2. Peter leaves the prison (v. 7-10).

A heavenly light shone in the prison. The angel smote Peter on the side; the chains fell off. Peter put on his clothes and passed by one guard after another through the iron gate out into the city.

3. The effect upon Peter (v. 11).

Although the matter was so wonderful to Peter, even outside his consciousness, when he came to himself he was assured before his adventure that God had miraculously delivered him from Herod's wicked hands.

IV. Unconscious Unbelief (rv. 12-18).

1. Behavior of Peter and the church

(vv. 12-17). Peter went to the house of Mary and knocked. The knock was answered by Rhoda who was so overjoyed that she forgot to open the gate, and ran in and told them that Peter was at the gate. The disciples were not prepared for such good news, and even accused her of madness. She, undaunted, insisted. They offered as an explanation that perhaps it might be Peter's guardian angel in his likeness. They got more than they expected. Peter rehearsed unto them the Lord's dealings with him, and instructed them to make these things known unto James and the brethren.

2. The behavior of the soldiers (vv. 18, 19).

There was great agitation among them as to what had become of Peter. This was a serious matter since they were responsible for him. Not being able to account for Peter's escape, Herod commanded that they be put to death. After this Herod went down to Caesarea. Here he was adorned as to Caesarea. He was adorned as God. Because he had glorified himself, the Lord smote him. Herod died, but the Word of the Lord grew and multiplied.

Life and Death

It is good when the garden of life and the sepulcher of death are linked with Him who was crucified. He makes the garden tenfold richer and more beautiful. He robs the sepulcher of its terror and gloom.—Rev. Alex. Smellie, D. D.

Cynicism

I hate cynicism a great deal worse than I hate the devil; unless, perhaps, the two were the same thing.—R. L. Stevenson.

EAST STONEHAM.
Edith McAllister is home from Norway High School.

Mrs. Annie Files has been visiting at her son's, John Files, at South Paris. Earl Edwards has been at his cottage on Lake Keewaydin for a few days.

Others at Clarence Files Sunday, May 28th were Mr. and Mrs. Silas Keniston and two children from Locke's Mills, Mr. and Mrs. Albert Keniston and four children from Albany, Mr. and Mrs. Glenn Keniston and two children, Asa Keniston and daughter, Sara, from South Paris, Mr. and Mrs. John Grover and three children from Bolster Mills, also Charles McKee from Watkinson.

Ada Curtis spent the week end at V. R. Littlefield's, recently.

SOUTH WATERFORD

Mrs. Albert Hamlin in Portland Hospital—Miss Marjorie Johnson of Bailey's Island Guest in Town—Degrees Worked at Grange Meeting—Two Pound Trout Caught by Donald Kingman.

Mrs. Ida B. Riggs returned home, Monday, after spending ten days at L. E. McIntire's, at East Waterford, while Mrs. McIntire was in the hospital.

Mrs. Archie Bell, who has been critically ill, in the Central Maine General Hospital in Lewiston, is able to take some nourishment and is slowly on the road to recovery.

Rupert Greenleaf and friend, Mr. Kittredge, have been spending several days with the Yorks. Have caught many trout in the mill pond at Bennett's Mill in Sweden.

Mrs. Albert Hamlin went to the Maine General Hospital in Portland for an operation, on Tuesday, May 21st. She is coming on fine. Albert and Albert, Jr., are with Mr. and Mrs. W. K. Hamlin, Stanley with his grandmother, Edwinton, in Sweden, and little Walter is with his aunt, Louise Moulton, in Bridgton, during Mrs. Hamlin's absence.

F. A. Monroe, wife and daughters, Helen, Ruth and Louise, spent the week end at his mother's, Mrs. A. A. Monroe's, also Miss Marjorie Johnson of Bailey's Island was a guest of Miss Monroe over Sunday.

Regular Grange meeting was held on Saturday night, June 4th. The 3rd and 4th degrees were conferred on Gertrude Adams. The ladies' degree team worked the 3rd degree in a very impressive manner. A fine literary program was presented by Mr. and Mrs. A. L. Sanderson.

Mrs. Nelson is slowly recovering from her fall and dislocated shoulder. Mr. and Mrs. Fred Hawley and sons, Fred and Herbert of Providence, R. I., also Miss Margaret Henderson, were guests at E. P. Kimball's over Memorial.

Sunday callers of May 29th, at E. P. Kimball's, included Mr. and Mrs. George Kimball, son Donald, and daughter, Leona, of North Waterford, Mr. and Mrs. Eugene Quint and children and Mr. and Mrs. Ernest Abbott and children of South Paris. E. P. Kimball does not gain much.

Irvine Hamlin fell from his chair recently, and hurt his toe, but it is coming on all right.

Mrs. Ella Meserve and daughter, Grace and husband, George Varney, with their son and wife, Mr. and Mrs. Harry Varney, of Hallowell, were Memorial guests of Mr. and Mrs. Will Marr. Mrs. George Varney is Mrs. Marr's sister and Mrs. Meserve her mother.

Misses Drake, the teachers, spent the Memorial holidays at their homes in Norway and Portland.

Miss Marjorie Johnson and Ethel M. Monroe had quite an experience when Miss Johnson's car refused to go out this side of Bridgton, on Saturday night, just at dark. A young man with a Ford towed them back to Bridgton and to several garages, before one would repair a broken gas tank pipe. Finally, the Portland Street Garage made the repairs and the ladies reached home some after ten in the dreary rain. They found everyone so kind and considerate that they insist that this old world is full of fine folks.

Mrs. Ardelle Kimball went to the Maine General Hospital in Portland, on Tuesday, for an operation for gall stones. The Muller lady is at home and Mrs. L. E. Muller is to care for him. Bertha will care for her father during her mother's absence.

Miss Maudie B. Atherton from the Providence Hospital, Providence, R. I., arrived in town on Thursday for her vacation. She is at the cottage with her sister, Mrs. Gerie E. Monroe.

Mr. and Mrs. Ernest Staples and family were at their cottage on Mason Hill over Memorial.

Donald Kingman caught a 2 lb. lake trout this past week. One of the old guides said it did him great good to have a boy catch it for it was the first lake trout he ever handled.

We hear very encouraging news from Mrs. Townsend and all are glad to hear she is getting on so well.

Two white frosts on the low land this past week. Guess some tomatoes got nipped. Shall be glad when we can dispense with fires for comfort.

Rev. B. F. Wentworth and wife, with Baby Dorothy were callers at Mrs. A. A. Monroe's on Memorial.

Sunday callers at Charles Kimball's were Mr. and Mrs. Floyd Moulton and daughter, Gertrude, and his brother and wife and children of Bridgton.

Frances McAllister had a birthday party, recently, and her Sunday school class were invited guests, with others. A very happy time was reported.

Saturday, W. W. Abbott a man and two horses, W. K. Hamlin's man and four horses and eight men from this vicinity spent the day on the Bell farm doing Archie's planting. It was indeed a great help for the Bell family, have all been stricken with the grippe and now Mrs. Bell is in the hospital. Such deeds are surely Christian.

Sunday evening, Mr. Townsend and Mr. Wentworth gave lantern slide pictures of Methodist Missionary work in the Congo region of Africa. Mr. Wentworth gave the talk and Mr. Townsend operated the machine. It was very good.

Mrs. Garance Gardiner, who has been ill so long from the effects of grippe, is on the road to recovery again.

JOHN DEERE SPREADER

The patented beater construction gives you these distinctive advantages:

1. A box 6 to 10 inches lower than others—much easier to load.

2. High drive wheels—4 to 8 inches higher than others—gives extra traction—extra power. Load moves back to beater on rollers—saves the horses.

3. The simplest spreader built—no clutches, no chains, no adjustments for you to make—reduces repair bills—the spreader lasts years longer.

4. Beater close to ground—does not throw manure high in air—winds do not cause drifting of manure—does better work. Patented revolving rake prevents bunching.

Come in and see this better spreader—there are many other features on it we want to show you.

OXFORD—FORE STREET

Mrs. Flora Cummings Entertains Son and Wife from California—June Calls Out the Autos.

Flora Cummings returned home last week, from Upton, to greet her son and wife, Mr. and Mrs. Alanson Cummings, who has just arrived from California. They have just returned by auto, using the same car, an Overland, both ways, and while there even though the car had been driven several thousand miles before they left for the West, it is still in mighty good car for the condition it is in. It runs sure and safe over our New England hills and by-ways today.

C. Judkins Cummings was a dinner guest of his mother, a day last week. Miss Glover, pastor of A. C. Church, Oxford, visited at Mrs. Cummings' home and at E. E. Twitchell's, Thursday.

Bessie Trebilcock of Oxford is staying with her daughter, Mrs. Leon Twitchell, a number of weeks this spring and summer.

Mrs. Christina Twitchell lately visited her friend, Mrs. George Quint, of Dry Mills. Flora Cummings was in Portland, Wednesday, going with Mr. and Mrs. A. R. Cummings and Mr. and Mrs. Fred Waterhouse of West Paris.

Mr. and Mrs. E. E. Twitchell, with Miss Christina and Al Twitchell and family attended committee meeting held on Mechanic Falls campground, June 6.

June's first Sunday was full of warm sunshine in the early morning and forenoon, calling out the folks with autos so that the traffic was heavy indeed. Twitchell's yard sale store having a large patronage until the late showers in the afternoon hastened the travelers along somewhat. They may have been thirsty and hungry, yet feared the raindrops outside.

Mrs. A. W. Judkins of Upton called at Leon Twitchell's, last week.

Mrs. Etta Stevens is visiting her sister, Emma Cross, also brother, Warren Brooks for a few days.

Mr. and Mrs. Roderick Hartborne of South Paris visited relatives in town, Sunday.

Harry Isaacson of Auburn was in town one day last week.

Vinton Tibbetts was at home from Sunday, where he is working for the Tibbetts Company, over the week end.

Several from here attended the moving pictures at Bethel, Saturday evening.

Mrs. Henry Hall entertained her mother, Mrs. Louisa Knight, also her aunt, recently.

Ruth Crockett is staying with her grandmother, Mrs. Joseph Leonard.

Mike Vashaw has been at home the past week.

RESOLUTIONS OF RESPECT

Whereas, it hath pleased the Divine Master to call from her labors on earth our sister, Etta E. Stevens, and whereas, we recall her stately regard for the welfare of all about her, therefore be it

Resolved, that while we realize the infinite love and wisdom of our Heavenly Father, that the members of Frederick Robin Graves No. 207 ever hold in deep respect the memory of one who served faithfully in the order as long as health would permit.

Resolved, that this heartfelt testimonial of our sympathy and sorrow be forwarded to her brother, spread this tribute upon our records, and send a copy to the Norway Advertiser for publication.

FRYEBURG

Fryeburg Church is Fifty Years Old—
Officers Elected by the Woman's Club.

The fifty-first anniversary of the founding of the Fryeburg Society of the Church of the New Jerusalem was celebrated last week on Tuesday evening there was a social gathering at the church, the program being a social supper at the New Church Hall, which was held for nearly 150 persons and friends of the church, including the society there was a special home service, a short entertainment, consisting of vocal solos by Mrs. Roy Abbott, remarks by the pastor, the Rev. Louis J. Dole, and a closing prayer by John Osgood, who is being charter member of the church. This was followed by a dancing party, with music by Mrs. Jordan's Orchestra.

There were two special anniversary services. At the morning service the pastor took for his topic "The Church's Past and Future," and in the evening the pastor took for his topic "The Church's Future." The special music was under the direction of the organist, Mrs. Mary Lord. The choir, under the direction of the Rev. Mr. Dole, sang the hymns. The church was decorated with flowers and bunting.

A black and white illustration of a woman sitting at a table, looking distressed. A large, stylized diagram of a human stomach and intestines is overlaid on her body, with arrows indicating the movement of food and waste. The diagram is labeled with various parts of the digestive system, such as 'Stomach', 'Small Intestine', and 'Large Intestine'. The woman is holding a glass to her lips, and there is a plate of food on the table. The illustration is framed by a decorative border.
